**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I choose a competitive, regional internet service provider with whom I share values like privacy. Friends and relatives are in areas that lack competition, and the poor customer service and price hikes that go along with this lack are appalling.
